

**15th ANNUAL
TORONTO SHORTHORN SALE**

**SATURDAY,
MAY 23,
1959**

**MILLIKEN,
ONTARIO**

ON THE FRONT COVER . . .

SCOTSDALE LUCIFER.

Senior and Reserve Grand Champion.

1958 International.

1958 Royal Winter Fair.

Scene at M-F Farms, Milliken, Ontario, where this sale is to be held. It is approximately 20 miles north of Toronto.

The Toronto area contains one of the strongest concentrations of superior Shorthorns anywhere in the world. Stock bulls of the greatest power, plus cow herds second to none in strength of breeding and individuality, can make this trip one of the most enjoyable experiences of your Shorthorn career.

Whether you have several hours or several days to spend visiting the herds of this area, we can assure you that every minute can be used to advantage.

This sale is being held at the most beautiful time of year in Ontario. We look forward to your visit.

Scotsdale Butterfly Highness by Calrossie Prefect. One of many Royal Winter Fair champions exhibited by Scotsdale.

"The Ontario Government bull subsidy to Ontario cattlemen will apply in this sale. In the case of Performance Tested bulls, this grant is now thirty-three and one-third per cent up to a maximum grant of \$200. In all other instances, it is 20 per cent up to a maximum of \$120."

GENERAL SALE INFORMATION

TIME AND PLACE—Saturday, May 23, 1959. The sale will start at 12:30 p. m. It will be held at M-F Farms, Milliken, Ontario, which is the experimental farm owned by Massey-Ferguson Co., and managed by William Sutherland. It is 18 miles north of Toronto, and is located near Unionville, a town familiar to all Shorthorn breeders. A map on the opposite page shows the exact location of a few of the many great herds of the Toronto area.

SALE HEADQUARTERS—King Edward Hotel, Toronto. Make your reservations directly with them or advise the sale manager to make them for you. Miss Velma Wilson, Secretary, Toronto Shorthorn Club, 37 Front St., East, Toronto (Phone Empire 38301), will also be glad to make reservations for you.

TRANSPORTATION—There is overnight train service both way to Toronto from Chicago and other Eastern cities. We will meet both the Canadian Pacific (New York Central) and the Canadian National (Grand Trunk) on sale day morning, but please advise us so we can be looking for you. We will also be happy to meet any planes at the Toronto airport. We suggest that you come to this sale at least a day in advance so that we can show you some of the fine herds of the Toronto area.

HEALTH—All of the sale cattle will be tested for T.B. and Bangs within 30 days of the sale, except officially vaccinated heifers in which case the vaccination certificates will be attached to their health papers. All health papers necessary for export will be furnished. Practically all of the cattle are vaccinated for Bangs, despite the fact that some of the owners did not so indicate in their footnotes.

SHIPPING CATTLE—We will be glad to assist in the shipment of cattle at buyer's instructions. As a convenience to buyers, cattle may be left for a reasonable period of time.

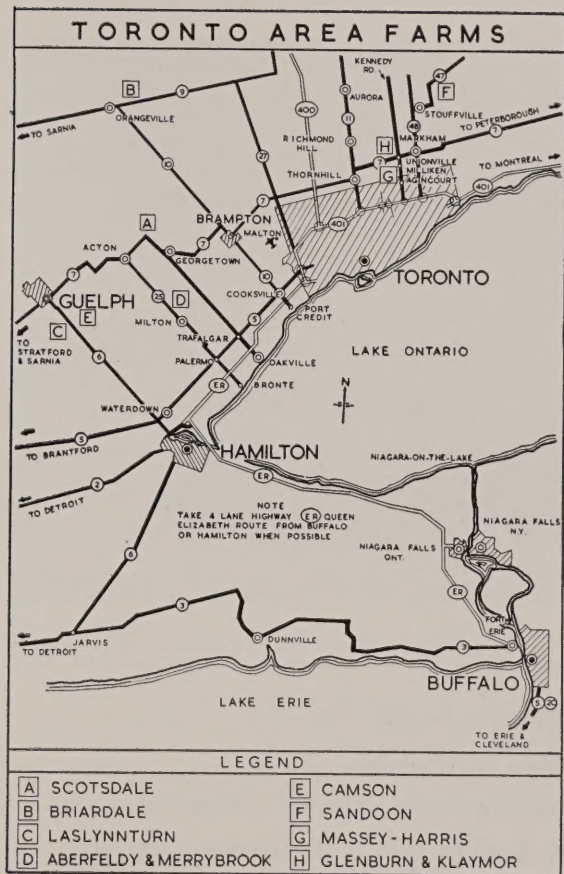

FARM PHONE—c/o M-F Farms, Milliken, Ontario.

GUARANTEE—All cattle will be sold under the standard guarantee. A certificate of registry and transfer in the Canadian Herd Book will be furnished for each lot sold. All are eligible for registry in the American Herd Book. An application for registry will be furnished for each calf at foot under six months of age and for each unborn calf. Where footnotes appear in this catalog, they were furnished by the owner or written from information supplied by the consignors. Neither the owners nor M-F Farms shall be responsible or liable for any accidents that may occur but will make every effort to provide for the safety and comfort of their guests. The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. The sale manager was retained for the specific tasks of handling the publicity and preparing the catalog, and has nothing to do with the handling of the cattle or condition of the premises. The sale manager, the clerk, or auctioneer assume no liability.

AUCTIONEER—C. D. Swaffar, Tulsa, Oklahoma.

SALE MANAGER—Don Longley, The Shorthorn World, 16 So. Locust Street, Aurora, Illinois.

MAIL BIDS—Those wishing to buy, who cannot be present at this sale, may send their bids to any of the following: Harold White, Managing Director, Canadian Shorthorn Association, Gummer Bldg., Guelph, Ont.; E. H. Stoltz, Eastern Fieldman, Canadian Association, Aurora, Ontario; Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Ill.; or to the auctioneer. Last minute messages will reach them at sale headquarters or M-F Farms.

On countless occasions breeders have remarked to me, "I really want to own good ones, but I have to watch the money I invest." The answer to this is simply to be in the right place at the right time.

Historically, the annual sale of the Toronto Shorthorn Club has been the place where breeders could find that quality and breeding at a fraction of the price paid for cattle from these same consignors at leading events such as the International. Ask anyone who has attended any of the past fourteen sales and they will tell you quickly it is one of the best places to buy.

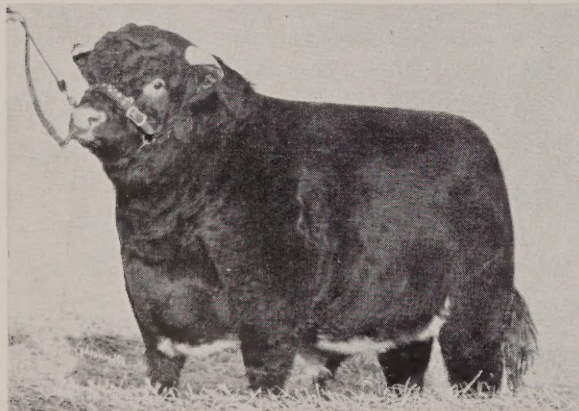

Many people can't take the time to travel to sales. If this is your problem, why not avail yourself of the buying opportunities by contacting any of the several fieldmen who will attend? You can count on them to do an expert, conscientious job.

DON LONGLEY, The Shorthorn World,
Sale Manager

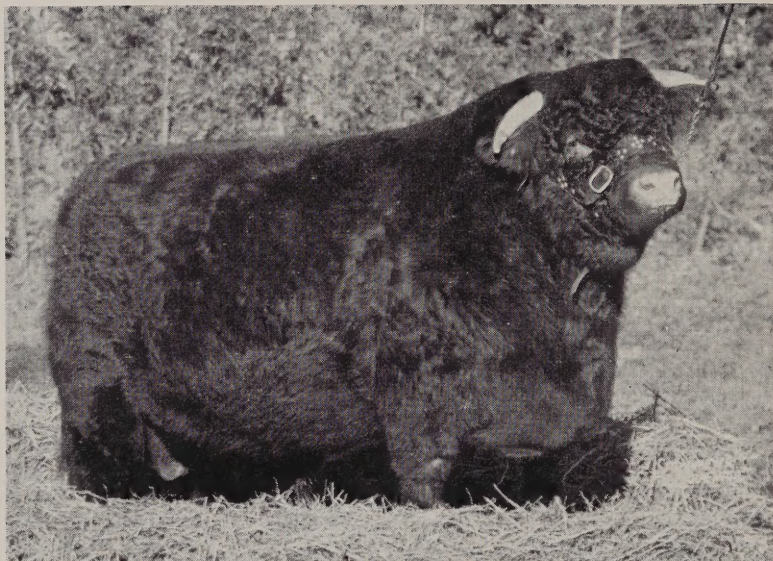

**A Sale Where Every One is the Kind
You Will Want to Take Home**

Scotsdale Jupiter. Grand Champion International, 1956. Grand Champion Royal Winter Fair, 1955 and 1956. Sire of first prize junior yearling bull, third prize summer yearling bull, second prize junior yearling heifer, International, 1958.

A few of the cows and calves at Scotsdale.

You will find the staff of the Canadian Shorthorn Breeders' Association anxious to help you make your trip more interesting or enjoyable . . . whether you travel to this sale by car, or whether you need transportation after you arrive. Make your trip doubly valuable by attending this sale and also seeing some of the many great herds and stock bulls of the Toronto area.

For help in getting around, contact Harold R. White, Managing-Director, Canadian Shorthorn Association, Gummer Bldg., Guelph, Ontario. (Phone—Guelph, Taylor 26841). Please make arrangements as well in advance as possible.

Getting your cattle home at a moderate cost is largely a matter of the willingness of the seller to cooperate with the buyer in every possible way. Nowhere will you find sellers more willing to hold cattle at their farms and to go along with any reasonable plan to help you.

We will do everything possible to help make your shipment easy and economical. Cattle from the Toronto area usually move in groups most of the way to their new homes.

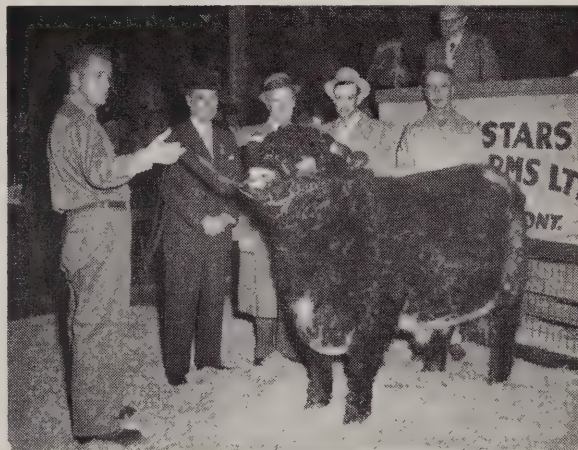

A Remarkable Record

Scotsdale won the first four bull classes at the 1958 International. The International is over a half century old and we are not certain if this has ever happened before, but it is highly unlikely that it has.

The world famous Scotsdale herd is the largest consignor to this sale. It is the only time during the year that Scotsdale cattle are offered in any appreciable numbers.

Norman D. Hoag, Uxbridge, Ontario, proudly displays his new herd sire, Scotsdale Marshall, purchased at the 1958 International sale for \$10,000, a tie for the record price of that event. Scotsdale Marshall was the Grand Champion, 1958 Royal Winter Fair. Hoag purchased the start of his strong new herd in the 1958 Toronto sale.

Left, Scotsdale Mentor. First prize summer yearling bull, 1958 International and Royal Winter Fair. Top selling bull, 1958 Sale of Stars, to Ralph E. Elliott, Borden, Sask.

THE SCOTSDALE RECORD

ROYAL WINTER FAIR

Since 1947 Scotsdale has had six grand champion bulls; three reserve grand champion bulls; four junior champion bulls; eight first prize gets; and in the last seven years two grand champion females and three reserve champion females. In the past four years they have won each year the get of sire, Breeder's herd, Premier breeder and Premier exhibitor awards.

SALE OF STARS

Originated in 1950. Since that time Scotsdale has had either the top selling or second top selling bull or heifer eight times.

INTERNATIONAL SALE

Scotsdale has made six consignments. On each occasion they have had either the top selling bull or second top, and four times the top selling female or second top. In 1955, with only two head consigned, Scotsdale had both the top selling bull and top selling female. In 1957 they had the second top bull of the Shorthorn sale, the top bull of the Polled Shorthorn sale. In 1958, the \$10,000 top selling bull (tie for the record in this sale) and the second top bull at \$5,000.

ONTARIO GOVERNMENT BULL SALE

Originated in 1951. Since then, Scotsdale has had either the champion and/or the top selling bull at every sale.

TORONTO SALE

In the last fourteen years at the Toronto sales, Scotsdale has had the top bull nine times, the second top bull five times, the top female eight times, and the second top female five times. A total of 106 Scotsdale entries sold through this sale have averaged \$1,026 and a total of \$108,720.

Calrossie Prefect.
1952 Perth Supreme
Champion.

Scotsdale is offering two females and three bulls by Calrossie Prefect. These may be the last get to be sold by this outstanding sire. These five animals are all half-brothers and half sisters to Scotsdale Lucifer, Senior and Reserve Grand Champion Bull, 1958 International. Two other Scotsdale entries are by his sons.

ARCHWOOD AFTON LADY x—This is a top breeding polled female by Bellevue Souvenir x that was by Cherry Hill Souvenir x. A daughter by Scotsdale Homeric was bought by Gordon Blackstock of Bapton. She will be bred to Scotsdale Lucifer, senior and reserve grand champion Chicago, 1958.

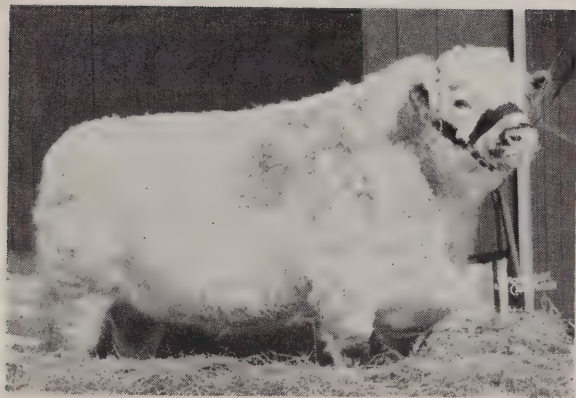

These three heifers were sold by Sandoon in last year's Toronto sale and are typical of the six they will offer this year.

***Some sales contain MORE
cattle . . . but none offer
more of the kind you will
want to TAKE HOME!***

Sandoon Farms, owned by A. C. McDermott, Goodwood, have the second largest consignment . . . two strong bulls, six beautiful females. This is one of the sweetest herds in the business, nothing but a top bull has ever been used. Sandoon cattle have been distributed widely to breeders throughout North America. They are highly regarded everywhere. This consignment represents the largest number of females they will have for sale at any time this year.

The lineup of consignors contains an impressive list of many of the herds that have made Ontario famous for its Shorthorns throughout the world. Two well known herds from Quebec . . . Tutira Farms and Saraguay Farms . . . join us this year . . . and complete one of the most powerful sale offerings in the long history of the Toronto Shorthorn Club.

Louada Select. This son of Bapton Constructor was purchased for \$4,700 by Klaymor Farms and Glenburn Farms in the 1958 Louada sale. Lot 39 is the first heifer to sell bred to him.

GLENBURN BROADHOOKS 25th—Fourth in class at the 1958 C.N.E. Her dam was first at the C.N.E. as a calf; her maternal sister was second at the C.N.E. and first at London and is the dam of the first summer yearling bull at London in 1958. Moray Jackaroo was Supreme Champion of the 1957 Royal Winter Fair. This outstanding heifer was bred December 16th to Louada Select, the outstanding Bapton Constructor son that we share with the Klaymor herd. Vaccinated, fully accredited from a Bang's free herd.

GLORIADALE RANSOM GOLDIE 8th—A beautiful, good headed, Polled daughter of Birmingham Meteor x, out of one of our best polled females. This is one of the best polled females yet produced at Gloriadale and one we should retain in our herd. Many of her half brothers and sisters have been either exported or topped any sale to which they have been consigned.

Gloriadale Meteor 5th x. Gloriadale refused an offer of \$6,000 for this Polled bull for export to Scotland. Lot 46 is a half sister. Photograph taken at eight months of age.

They Do Well for Their New Owners

Each year, for fifteen consecutive years, the reputation of the Toronto Sale has grown in stature because the cattle here purchased have made such a fine record in the herds of their new owners. Countless champions and top sellers . . . all over North America . . . trace to purchases made in this sale.

A recent illustration comes from the first calves by the sires offered in 1957. That year, Scotsdale Laurencekirk was sold to Milton Nagely, Abilene, Kansas. This year, at the Annual Government Bull Sale in Toronto, the \$2,075 top selling bull, was a son of Scotsdale Laurencekirk. Also, in the 1957 sale, Scotsdale Keewatin, was sold to Dr. Glenn R. Miller, Hannibal, Missouri. One of his first daughters sold in last year's Toronto sale, topping it at \$2,000 to Norman D. Hogg, Uxbridge, Ontario.

Scotsdale Narvik. Top selling bull, 1959 Ontario Government bull sale at \$2,075 going to Harold Sime, Shellburne, Ontario. He is a son of Scotsdale Laurencekirk sold in the 1957 Toronto sale to Milton Nagely, Abilene, Kansas.

Scotsdale Lucifer, winning reserve grand championship, 1958 International. Eleven outstanding animals from the Scotsdale herd will be sold in this sale.

Burnton Gordon, \$13,000 top selling bull, 1957 Louada sale. The first son of Bapton Constructor to be sold in North America. His owner, Mrs. T. C. Stuart, Tutira Farm, Arundel, Quebec, sells two heifers bred to him.

**All Six of the First
Prize Bulls at the
1958 International Were
Exhibited by Herds Located
in the Toronoto Area**

Above, group of heifers sold by Sandoon Farms in the 1957 Toronto Sale. Sandoon has a consignment of two bulls and six females to this sale.

Right, group of heifers at Aberfeldy Farms, Reford W. Gardhouse. They are sending one bull and three females to the 1959 Toronto sale.
